

# Wither

## Dream Theater

Let it out let it out  
Fell the empty space  
So insecure  
Find the words  
And let it out  
Staring down staring down  
Nothing comes to mind  
Find the place  
Turn the water into wine  
But I feel I'm getting nowhere  
And I'll never see the end  
So I wither  
And render myself helpless  
I give in  
And everything is clear  
I break down  
And let the story guide me  
Turn it on turn it on  
Let the feelings flow  
Close your eyes  
See the ones you used to know  
Open up open up  
Don't struggle to relate  
Lure it out  
Help the memory escape  
Still this barrenness consumes me  
And I feel like giving up  
So I wither  
And render myself helpless  
I give in  
And everything is clear  
I break down  
And let the story guide me  
I wither  
And give myself away  
Like reflections on the page  
The world's what you create  
I drown in hesitation  
My words come crashing down  
And all my best creations  
Burn into the ground  
The thought of starting over

Leaves me paralyzed  
Tear it out again  
Another one that got away  
I wither  
And render myself helpless  
I give in  
And everything is clear  
I wither  
And render myself helpless  
I give in  
And everything is clear  
I break down  
And let the story guide me  
I wither  
And give myself away  
Like reflections on the page  
The world's what you create  
The world's what you create  
Let it out let it out
