The Very Thought of You (feat. Linda Ronstadt)

Aaron Neville

The very thought of you and I forget to do The little ordinary things that everyone ought to do I'm living in a kind of daydream and I'm happy as a king And foolish as it may seem to me that's everythingThe mere idea of you, the longing here for you You'll never know how slow the moments go till I'm near to you I see your face in every flower your eyes in stars above It's just the thought of you the very thought of you, my loveI'm living in a kind of daydream and I'm happy as a king And foolish as it may seem to me that's everything The mere idea of you, the mere idea of you The longing here for you, the longing here for you You'll never know how slow the moments go till I'm near to you I see your face in every flower, your eyes in stars above It's just the thought of you, the very thought of you, my love The mere idea of you, the longing here for you It's just the thought of you the very thought of you, my love
