Helium (Sia vs. David Guetta & Afrojack)

Sia, David Guetta & Afrojack

I'm trying but I keep falling down I cry out but nothing comes now I'm giving my all and I know peace will come I never wanted to need someoneYeah, I wanted to play tough Thought I could do all just on my own But even Superwoman Sometimes needed Superman's soulHelp me out of this hell Your love lifts me up like helium Your love lifts me up when I'm down down down When I've hit the ground You're all I need And if you let go I'll float towards the sun I'm stronger 'cause you fill me up But when the fear comes and I drift towards the ground I am lucky that you're around Yeah, I wanted to play tough Thought I could do all just on my own But even Superwoman Sometimes needed Superman's soulHelp me out of this hell Your love lifts me up like helium Your love lifts me up when I'm down down down When I've hit the ground You're all I need 'Cause your love lifts me up like helium Your love lifts me up like helium You lift me up and I am found You lift me up before I hit the ground You lift me up when I'm down down down You lift me up before I hit the ground You lift me up and I am found You lift me up before I hit the ground You lift me up when I'm down down down You lift me up before I hit the ground!Your love lifts me up like helium Your love lifts me up when I'm down down down When I've hit the ground You're all I need 'Cause your love lifts me up like helium Song Discussions is protected by U.S. Patent 9401941.
