## Jesus Built a Bridge to Heaven

## **Rhonda Vincent**

## -CHORUS-

Jesus built a bridge to Heaven.

A mighty, mighty bridge to Heaven.

Jesus built a bridge to Heaven,

with three nails, and two cross-ties. Took His people by the hand.

Led them 'cross that barren land.

Pharaoh chased them night and day,

but the angel of the Lord kept him away. Jesus built a bridge to Heaven.

A mighty, mighty bridge to Heaven.

Jesus built a bridge to Heaven,

with three nails, and two cross-ties.

A humble carpenter by trade.

You'll know him by the works he made.

No towers of stone, nor works of steel,

but a wooden cross on a wind swept hill. Jesus built a bridge to Heaven.

A mighty, mighty bridge to Heaven.

Jesus built a bridge to Heaven,

with three nails, and two cross-ties. No boulevard, no avenue.

Not a road by man can carry you.

A highway built by hands unseen,

to that city of gold for eternity. Jesus built a bridge to Heaven.

A mighty, mighty bridge to Heaven.

Jesus built a bridge to Heaven,

with three nails, and two cross-ties.

Jesus built a bridge to Heaven.

A mighty, mighty bridge to Heaven.

Jesus built a bridge to Heaven,

with three nails, and two cross-ties. Jesus built a bridge to Heaven.

A mighty, mighty bridge to Heaven.

Jesus built a bridge to Heaven,

with three nails, and two cross-ties.
