

Thick Thighs (feat. Latrice Royale)

Willam

THICK THIGHS x 8
Drop it. You've got a tank ass,
Four wheel drive
Fat like a manatee
Double Wide
(Oooooo)
Do your lunges
Do dem squats
So you can keep on eatin' dem tater tots
Chilling like an iceberg
Ass Titanic
Ride Sally Ride almost off the planet
Mmm Mmm Good
Like Campbells canned it
Price check on that ass
'cause I'm bout to scan it
Hard Rock don't wiggle,
But the jelly do jam
Make the neighbor break a sweat
Make me holler Goddamn
Chub rub aint wrong
if you're doin it right
Start a fire in your pants,
Let it burn all night
Back it up, show it off
Make it wink when you cough
Serve a thigh, shake a breast
See a chicken bucket dress
Tree trunks make ya thunk
That you wanna dip and dunk
It's a meal not a snack,
Let me hear you holler back.
Thick thighs make the Dick Rise
(Thick thighs make the Dick Rise)
Thick thighs make the Dick Rise
(Thick thighs make the Dick Rise)
You know
Thick thighs make the Dick Rise
(Thick thighs make the Dick Rise)
Thick thighs make the Dick Rise
(Thick thighs make the Dick Rise)
On a pole, on a role
Loose meat and a hole
Dump trucks taking money like they pay tolls
This piggy hair roast beef ain't sharin none

Legs on fleek
La-La-Looking for fun
I've got a finger sandwich in my cellulite
Like a meat lover's pizza, now that's delight
Hamstrings got the dick tryna stand up right.
I'mma need two hands, let me drop the mic
Hard Rock don't wiggle,
But the jelly do jam
Make the neighbor break a sweat
Make me holler Goddamn
Chub rub aint wrong
if you're doin it right
Start a fire in your pants,
Let it burn all night
Back it up, show it off
Make it wink when you cough
Serve a thigh, shake a breast
See a chicken bucket dress
Tree trunks make ya thunk
That you wanna dip and dunk
It's a meal not a snack,
Let me hear you holler back.
Thick thighs make the Dick Rise
(Thick thighs make the Dick Rise)
Thick thighs make the Dick Rise
(Thick thighs make the Dick Rise)
Yes Big Girl
Thick thighs make the Dick Rise
(Thick thighs make the Dick Rise)
Thick thighs make the Dick Rise
(Thick thighs make the Dick Rise)
Cute face, thick thighs gonna make the dick rise
Cute face, thick thighs gonna make the dick rise
Cute face, thick thighs gonna make the dick rise
Cute face, thick thighs gonna make the dick rise
If you're thick down there, by yourself now
Get your hands up, get your ass out
If you're thick down there, by yourself now
Do it real good, til you pass out
Back it up, show it off
Make it wink when you cough
Serve a thigh, shake a breast
See a chicken bucket dress
Tree trunks make ya thunk
That you wanna dip and dunk
It's a meal not a snack,
Let me hear you holler back.
Thick thighs make the Dick Rise
(Thick thighs make the Dick Rise)
Thick thighs make the Dick Rise
(Thick thighs make the Dick Rise)
Make Make Make Make
Thick thighs make the Dick Rise
(Thick thighs make the Dick Rise)
Thick thighs make the Dick Rise
(Thick thighs make the Dick Rise)
Feel the burn, feel the burn

Squeeze and tone and squeeze and tone
