

# To Be With You

Joe Cuba

To Be With You  
One hour each lonely day?  
Will there be no end  
i need/love you so  
i want you more than you know when im alone  
i feel the touch of your lips  
so softly/close on mine  
please say your mine  
and come back here to me to feel your arms  
all closed around me inside  
my heart wakens up  
i still feel your touch  
my love  
wow what a thrill  
ill never leave you i know  
for i love you so, to be with you  
to be with you my love
