

# A Change Is Gonna Come

Seal

I was born by the river, in a little tent  
And oh just like the river I've been runnin', ever since  
It's been a long... long time comin', but I know...  
A change is gonna come, woah yes it will  
It's been too hard livin', but I'm afraid to die  
Cause I don't know what's up there, beyond the sky  
It's been a long... long time coming, but I know...  
A change is gonna come, woah yes it will  
Now I go to the movies, and I go downtown  
But somebody keeps telling me don't, hang around  
It's been a long... long time coming, but I know...  
A change is gonna come, woah yes it will  
Yes sir  
So now I go to my brother  
And I say, "Brother, help me please" (yeah)  
But somehow he winds up knocking me  
Back down on my knees, woah...  
There were times I thought, I wouldn't last for long  
Now I think I'm able, able to carry on  
It's been a long... long time coming, but I know...  
A change is gonna come, yes it will, oh  
I know, a change is going to come  
I said I know  
A change is gonna come (hey)  
A change is gonna come, right now (oh)  
A change is gonna come, I see it now  
I said a change  
Is gonna come
