

Dream a Little Dream of Me

[Ella Fitzgerald & Louis Armstrong](#)

Stars shining bright above you
Night breezes seem to whisper, I love you
Birds singin' in the sycamore trees
Dream a little dream of me Say nighty-night and kiss me
Just hold me tight and tell me you'll miss me
While I'm alone and blue as can be
Dream a little dream of me Stars fading but I linger on dear
Still craving your kiss
I'm longin' to linger till dawn dear
Just saying this Sweet dreams till sunbeams find you
Sweet dreams that leave all worries behind you
But in your dreams whatever they be
Dream a little dream of me
Stars shining right above you
Night breezes seem to whisper, I love you
Birds singin' in the sycamore trees
Dream a little dream of me Say nighty-night and kiss me
Just hold me tight and tell me you'll miss me
While I'm alone and blue as can be
Dream a little dream of me Stars fading but I linger on dear
Still craving your kiss
I'm longin' to linger till dawn dear
Just saying this Sweet dreams till sunbeams find you
Sweet dreams that leave all worries behind you
But in your dreams whatever they be
Dream a little dream of me
Dream a little dream of me
Dream a dream of me
Come on and dream come on and dream
Dream a little dream of me
I said dream, dream, dream a little dre-dre-dream
Come on and dream
Dream a little dre-dre-dream of me
What you sayin' hey baby come on and dream
Dream a little dream, dream of me
Dream
Dream
Dream
