

# Lenny Kravitz

## Electric Six

Ever since I met you, you were someone I knew  
lookin for a little somethin somethin to do  
you wanted one stop shoppin' and clothes that fit you  
you wanted to look pretty when they're taking your picture now you want your life to move a  
little bit faster  
a little bit of death, a little bit of disaster  
well I was doing this before you were born  
the glove already fit you before it was worn and girl, the choice is yours  
I can dress you up as the devil  
or I can dress you up as one of the devil's whores oh oh oh oh oh  
oh oh oh oh oh oh  
oh oh oh oh oh oh  
oh oh oh oh oh oh  
calling all girls of the opposite sex  
I know you just can't wait for what happens next  
I got a five-step plan and a brand-new facility  
the perfect habitat for testing sex ability all you need's a credit card you're good to go  
roll a little footage and film a little video  
I wanna see who's living between your legs  
you just can't make an omelet without breaking some eggs and girl, what do you say?  
You can dress me up like JFK  
hide in the grassy knoll  
and blow me away! oh oh oh oh oh oh  
oh oh oh oh oh oh  
oh oh oh oh oh oh  
oh oh oh oh oh oh SOLO!  
I have some money here for you, so reach in to me and grab it  
And I have never understood why anybody likes Lenny Kravitz  
I see no reason for this to continue  
I don't have anything else to put in you  
now go back home girl and do whatever it is that you do And girl, I hate to break you the news  
when you win here, you really lose  
and you've been such a pleasure to use oh oh oh oh oh oh  
oh oh oh oh oh oh  
oh oh oh oh oh oh  
oh oh oh oh oh oh
