You know that i wont buy it  
Girl, theres no use to tryin to hide it

Behind the back girl ive seen it  
Take me as a joking prankster  
I cant believe my girlfriends a gangsta  
Not my baby  
I lost my trust in you  
Its really driving me crazy  
And I dont know what im gonna do  
Im going outta my mind  
And if she keeps it up were through

But baby Im still in love with you Cos shes a gangsta

Driving a benz and making money
