

# Paralyzed

## Lee Fields & The Expressions

I told her this time I'm gone  
It would never be the same  
You'll be left all alone  
Only you to blame Paralyzed, paralyzed  
Running out of light  
Paralyzed, so paralyzed  
I can see it in your eyes So hold me for this is the end  
Lies is my guy  
There is no me for us to suspend  
This feeling inside  
Paralyzed, so paralyzed  
Running out of light  
Paralyzed will so paralyzed  
I can see it in your eyes Lord, have mercy  
Paralyzed, paralyzed  
We're running out of light  
Paralyzed, so paralyzed  
I can see it in your eyes Paralyzed, oh so paralyzed  
Girl, you can't deny  
Paralyzed, so paralyzed
