

Sleep In the Middle

Blu Cantrell

Verse 1:Bad a** decisions

Made from a fear

Of being alone

All by myself

Again

Sitting in the den

And

Looking at the phone as if it owes

Owes me a favorPre-Chorus:As I reverse my earlier making

Of our king-sized bed

And as a queen without a king

Now I realize

Chorus:I'd rather sleep in the middle

Middle of my bed

Alone and not hurting over you

That's better than sleeping on my side

Crying at night

Silently watching you sleep

I'd rather sleep in the middleVerse 2:Now you think I'm jealous of her

But she's probably jealous of me

Because I'm free!

Free of you

I know you're crazy about her

And you will continue to be

Until she falls

Deep in love with you

Pre-Chorus:Because it pleases you to have someone

Who don't love you

It's the gettin not the having

That pleases youChorus:I'd rather sleep in the middle (I'd rather)

Middle of my bed (In the middle of my bed)

Alone and not hurting over you (You're not gonna hurt me baby nooo)

That's better than sleeping on my side

Crying at night (oooh)

Silently watching you sleep

I'd rather sleep in the middlePre-Chorus:Because it pleases you to have someone

Who don't love you

It's the gettin not the having

That pleases you (yoouoooooooooooooooooooooooooooo)Chorus:I'd rather sleep in the middle

(I'd rather sleep in the middle)

Middle of my bed (Middle of my bed)

Alone and not hurting over you (Alone in my bed no, no, no, no)

That's better than sleeping on my side (oooooooooh)

Crying at night (Baby, ooooooooooooooh)

Silently watching you sleep (Yeeeeeah, I'll sleep there, In the middle)

I'd rather sleep in the middle ~4x~ (I'd rather {rather ~7x~}) I'M GON' BE ALRIGHT! I'd rather
sleep in the middle ~3x~ Rathe sleep in the middle, the middle, the middle
~2x~ Ohhhhhhhhhhhhhhhhhhhhhhhhhhhhhhhhh (I'd rather sleep in the middle) hhhhhh
