

Big Black Woman

Sugar Ray

Now it's my chance for a one night stand
And I'm king of the can, I'm a ladies man
I got so many women hanging on my sleeve
So many fine women you wouldn't believe
Just wait till ya get near my feet
I got elastic love for a tournament
I can't stand the need now super freak
Come on and ride with me
See that nation by the barn
With a foggy drink, yeah, that's a start
We got big clothing, that's a cure
Now I took it home so what the Hell
Back off big black woman
Back off big black woman
Woke up this month to the greatest site
Of the man who has to spend the night
So the name was bad and I was good
45 check under the hood, like this
Back off big black woman
Back off big black woman
Give me liberty or give me death
Give me liberty or give me death
Give me liberty or give me death
Give me liberty or give me death
(Oh, I like that one)
