

# Lasting Lover

Sigala & James Arthur

Sigala & James Arthur Lasting Lover  
I don't know why  
I can't quite get you out my sight  
You're always just behind  
Each thought to cross my mind  
Keep crawling back  
To where we last  
Left our love on hold  
I'm always out for more  
So what you waiting for  
Wait, before you burn me to the ground  
Please stay till the beat of my heart runs out  
I don't wanna let go, let go  
'Cause I've been tryna  
Hold on for so long  
I feel like I'm lost without a trace  
Take my heart and run away  
She said  
"I've been looking for a lasting lover"  
To save me, save me  
From every single  
Heartache, heartache  
I feel like I'm lost without a trace  
Take my heart and run away  
She said  
"I've been looking for a lasting lover"  
She said  
"I've been looking for a lasting lover"  
One by one I  
Two by twice  
I've watched all my loves  
Move on to something more  
Open up the door  
Caught in between every passing hour  
Oh, please stay till the taste of your mouth runs out  
I don't wanna let go, let go  
'Cause I've been tryna  
Hold on for so long  
I feel like I'm lost without a trace  
Take my heart and run away  
She said  
"I've been looking for a lasting lover"  
To save me, save me  
From every single  
Heartache, heartache  
I feel like I'm lost without a trace  
Take my heart and run away  
She said  
"I've been looking for a lover"  
So let me know  
Did we ever mean anything at all?

So let me know  
Did we ever mean anything at all? I feel like I'm lost without a trace  
Take my heart and run away  
She said  
I feel like I'm lost without a trace  
Take my heart and run away  
She said  
"I've been looking for a lasting lover" I've been looking for a lasting lover  
Oh yeah, I've been looking for a lasting lover
