

Haunted

Diamante

I'll follow you into the dark
I'll be the shadow creeping
Through every part of you
I've got a hold
You think by now you'd know
That you'll never be alone
You know you'll always be haunted, haunted
Hey, I'm getting under
your skin
You're stuck with me till the end
How does it feel to be haunted, haunted?
Hey, I'm getting into your bones
And everywhere that you go
You know you'll always be haunted
How does it feel?
So how does it feel?
I am the face you see inside
In your own reflection
The mirror never lies
Come out at night
I'll be your only friend
I'm just a breath behind
You know you'll always be haunted, haunted
You know you'll always be haunted, haunted
Hey, I'm getting under your skin
You're stuck with me till the end
How does it feel to be haunted, haunted
Hey I'm getting into your bones
And everywhere that you go
You know you'll always be haunted
How does it feel?
How does it feel?
How does it feel with me inside?
How does it feel?
How does it feel?
How does it feel?
You know you'll always be haunted, haunted
I'm in your head
The darkest part
You won't forget
I'll leave a mark
You can't deny
The voice inside
I'll hold you tight
Never let you go
Never let you go
Hey, I'm getting under your skin
You're stuck with me till the end
How does it feel to be haunted?
Hey, I'm getting into your bones
And everywhere that you go

You know you'll always be haunted
How does it feel?
How does it feel?
How does it feel with me inside?
How does it feel?
How does it feel?
How does it feel?
You know you'll always be haunted, haunted
How does it feel?
How does it feel?
