

The Devil Made Me Do It

Voodoo Glow Skulls

I'm the bad apple that ruined it for the tree
Always getting blamed and claiming not guilty
Just fifteen and a menace to society
Not for a second, thinking of what's in store for me
Now, it's not my nature to act this way
I guess, I've never thought about it
A young man tryin' to get his today
But first, I guess, I've got Hell to pay
The devil made me do it
The devil made me do it I used to rob from my mom and dad just to get a bag
Then I'd smoke it all and laugh
Stealing from my mom's purse
Too stupid to realize it's me that's going to hurt
A young, dumb, full of cum kid
Livin' out the definition of sin
Got no tact, got no sense
Now it's time to pay the consequence, sing it
Mobbing, stealing, definition, feeling
Mobbing, stealing, definition, feeling
Mobbing, stealing
As I got older I didn't stop
Baggin' every house on my block
Until one of my friend's got caught
I remember wondering when that dime was gonna drop
My parent's were always in shock
Especially when they searched my room and found that Ziploc
Checking my eye's everyday
And when they asked if I was high this is what I'd say
The devil made me do it
The devil made me do it
The devil made me do it
The devil made me do it
Mobbing, stealing, definition, feeling
Mobbing, stealing, definition, feeling
Mobbing, stealing
The devil made me do it
The devil made me do it
The devil made me do it
The devil made me do it
