

Shame, Shame, Shame

Kenny Wayne Shepherd

Shame, shame, shame
Shame on me for loving you
Shame, shame, shame
Shame on me for loving you You came and you went
What's this poor boy to do Lord, I tried, yes I tried
And you took everything I owned (which wasn't much)
Lord, I tried, yes I tried
And you took everything I owned (which wasn't much)
Oh, little girl I wonder
Was your love to me just on loan (which I think it was) Shame, shame, shame
Shame on me for loving you
Shame, shame, shame
Shame on me for loving you
Now, you came and you went
What's this poor boy to do?
