

# Believer (feat. Wynter Gordon) [Club Mix Version]

## Freemasons

Right now if I was a fortune teller  
I could see beyond the stars  
the cards would have a picture  
with your face on it. I see signs,  
everything leads to you  
I'm walking in your direction  
I'm feelin' this new sensation.  
Yea'You, taste like hunger,  
you, feel like urgency  
you make me wonder,  
you sound so good to me.  
So if I'm in love,  
if I'm alive  
make me a believer  
before I leave here tonight,  
make me a believer.Ouh uh uah ah ah  
I'm a believer  
Ouh uh uah ah ah  
I'm a believnow I, oh I yeah  
now I, oh I yeahOver time,  
its not a trust selection  
we exist to love  
but love is not perfection,  
still we try.  
You, taste like hunger,  
you feel like urgency  
you make me wonder,  
you sound so good to me.So if I'm in love,  
if I'm alive  
make me a believer  
before I leave here tonight,  
make me a believer.Ouh uh uah ah ah  
I'm a believer  
Ouh uh uah ah ah  
I'm a believnow I, oh I yeah  
now I, oh I yeahSo if I'm in love,  
if I'm alive  
make me a believer  
before I leave you here tonight,  
make me a believer.Ouh uh uah ah ah

I'm a believer  
Ouh uh uah ah ah  
I'm a believer
