Yeah

A little something for all the O.G.s out there

That put the foundation together

Was doin' this thang

Before I knew what to do with this thang right here

Ya know

But just to let them know what time it is

And how we get down

Me, Kokane, and Battlecat

Gone let y'all know how we do this thang here

Check this out y'allWe stay on point like Stacey Adams24 hours a day, 7 days a week, can ya

That's real talk right there baby

(Stacey Adams)

I'm in a 3 piece suit

Looking too cute

Mashin' flashin'

Lookin' for a prostitute

Boo boo, you got that loot

I'm watchin' you, you watchin' me

It's all to the gravy cuz it's V.I.P

And everythang in here movin' belong to me

That component set, was given to me

By a pimp buddy of mine Disco D.

He told me, Frisco E.

This here gone be

The baddest pimp nigga that you ever gone see

Colder than Fillmore Slim

Tilt that brim

Snoop Dogg gone sell that trick

Keep it crackin' like pistachios

Get that money

And continue to mash these hoes

And when the Player's Ball roll around again
