

# Let Me Love You

## Mario

Mm uh mm yeah  
Mm mm yeah yeah yeah  
Mm uh mm mm yeah  
Mm mm yeah yeah  
Baby I just don't get it, do you enjoy being hurt?  
I know you smelled the perfume, the makeup on his shirt You don't believe his stories, you  
know that they're all lies  
Bad as you are, you stick around and I just don't know why  
If I was ya man  
(Baby you'd)  
Never worry 'bout  
(What I do) I'd be coming home  
(Back to you)  
Every night, doin' you right  
You're the type of woman  
(Deserves good things)  
Fistful of diamonds  
(Hand full of rings) Baby, you're a star  
I just want to show you you are You should let me love you  
Let me be the one to give you everything you want and need  
Baby, good love and protection Make me your selection  
Show you the way love's supposed to be  
Baby you should let me love you, love you, love you, love you, yeah  
Listen Your true beauty's description looks so good that it hurts  
You're a dime plus ninety-nine and it's a shame  
Don't even know what you're worth  
Everywhere you go they stop and stare  
'Cause you're bad and it shows  
From your head to your toes, out of control, baby you know  
If I was your man (Baby you'd) Never worry 'bout  
(What I do)  
I'd be coming home  
(Back to you) Every night, doin' you right  
You're the type of woman  
(Deserves good things)  
Fistful of diamonds  
(Hand full of rings)  
Baby, you're a star  
I just want to show you, who you are  
You should let me love you  
Let me be the one to give you everything you want and need  
Ooh baby, good love and protection

Woah, make me your selection show you the way love's supposed to be  
Baby, you should let me  
(You deserve better, girl)  
You know you deserve better  
(We should be together girl)  
Baby, with me and you it's whatever girl, hey  
So can we make this thing ours?  
You should let me love you  
(Let me be the one to give you everything you want and need)  
Let me be the one to give  
Everything you need  
(Good love and protection)  
Said every thing  
(Make me your selection)  
Will you take me baby?  
Show you the way love's supposed to be (Ooh)  
Baby you should let me love you  
(Let me be the one to give you everything you want and need)  
I'll give you everything  
That good love and protection  
Make me your selection show you the way love's supposed to be  
Hey  
Hey  
(You should let me love you)  
Love you  
(Let me be the one to give you everything you want and need)  
The one to  
Everything you need oooh, baby  
(Good love and protection)  
Protection  
Make me your selection (selection, baby)  
Show you the way love's supposed to be  
(Yeah)  
Let me love you  
That's all you need baby
