

Mass Destruction

Faithless

Mass Destruction (No Roots)[CHORUS]

Whether long range weapon or suicide bomber

Wicked mind is a weapon of mass destruction

Whether you're Soaraway Sun or BBC 1

Misinformation is a weapon of mass destruct

You coulda Caucasian or a poor Asian

Racism is a weapon of mass destruction

Whether inflation or globalization

Fear is a weapon of mass destruction

My dad came into my room holding his hat

I knew he was leaving,

He sat on my bed told me some facts.

Son, I have the duty, calling on me

You and your sister be brave my little soldier

And don't forget all I told ya

Your the mister of the house now remember this

And when you wake up in the morning give ya momma a kiss

Then I had to say goodbye

In the morning woke momma with a kiss on each eyelid,

Even though I'm only a kid

Certain things can't be hid

Momma grabbed me

Held me like I was made of gold

But left her inner stories untold

I said, momma it will be alright

When daddy comes home, tonight

[CHORUS]

Whether Halliburton, Enron or anyone

Greed is a weapon of mass destruction We need to find the courages, overcome

Inaction is a weapon of mass destruction (x3)

The skin under my chin is exploding again.

I'm getting stress from some other children

I'm holding it in.

We taking sides like a politician

And if i get friction we get to fighting.

I'll defend my dad he's the best of all men

and whatever he's doing he's doing the right thing.

It's frightening, but it makes me mad,

Why do all of these people seem to hate my dad?

And if that ain't enough now i get these spots.

I go to sleep every night with my stomache in knots

And what's more, i can hear momma next door

Explore the radio for reports of war.
And all we ever seem to do is hide the tears.
Seems like daddy been gone for years.
But he was right, now i'm geared up for the fight
and he would be proud of me.[CHORUS]
Whether Halliburton, Enron or anyone
Greed is a weapon of mass destruction We need to find the courage, overcome
Inaction is a weapon of mass destruction (x3)
My story stops here, lets be clear.
This scenario is happening everywhere.
And you ain't going to nirvana or far-vana,
you're coming right back here to live out your karma.
With even more drama than previously, seriously.
Just how many centuries have we been
waiting for someone else to make us free?
And we refuse to see
that people overseas suffer just like we:
Bad leadership and ego's unfettered and free
Who feed on the people they're supposed to lead
I don't need good people to pray and wait
For the lord to make it all straight.
There's only now, do it right.
'Cos I don't want your daddy, leaving home tonight[CHORUS]
Whether Halliburton Enron or anyone
Greed is a weapon of mass destruction We need to find the courages, overcome
Inaction is a weapon of mass destruction (x3)
