

# Daysleeper

R.E.M.

Receiving department, 3 A.M.  
Staff cuts have socked up the overage  
Directives are posted, no callbacks, complaints  
Everywhere is calm Hong Kong is present, Taipei awakes  
All talk of circadian rhythm I see today with a newsprint fray  
My night is colored headache gray  
Daysleeper  
Daysleeper  
Daysleeper  
The bull and the bear are marking their territories  
They're leading the blind with their international glories I am the screen, the blinding light  
I'm the screen, I work at night I see today with a newsprint fray  
My night is colored headache gray  
Don't wake me with so much  
Daysleeper I cried the other night  
I can't even say why  
Fluorescent flat caffeine lights  
It's furious balancing I am the screen, the blinding light  
I'm the screen, I work at night I see today with a newsprint fray  
My night is colored headache gray  
Don't wake me with so much  
The ocean machine is set to 9  
I'll squeeze into heaven and Valentine  
My bed is pulling me, gravity  
Daysleeper  
Daysleeper  
Daysleeper  
Daysleeper  
Daysleeper
