

# Follow You Follow Me

## Genesis

Stay with me  
My love, I hope you'll always be  
Right here by my side, if ever I need you  
Oh my love In your arms  
I feel so safe, and so secure  
Everyday, is such a perfect day to spend  
Alone with you I will follow you, will you follow me?  
All the days and nights that we know will be  
I will stay with you, will you stay with me?  
Just one single tear in each passing year With the dark  
Oh I see so very clearly now  
All my fears, are drifting by me so slowly now  
Fading away I can say  
The night is long, but you are here  
Close at hand, oh I'm better for the smile you give  
And while I live  
I will follow you, will you follow me?  
All the days and nights that we know will be  
I will stay with you, will you stay with me?  
Just one single tear in each passing year there will be  
I will follow you, will you follow me?  
All the days and nights that we know will be  
I will stay with you, will you stay with me?  
Just one single tear in each passing year  
I will follow you, will you follow me?  
All the days and nights that we know will be  
I will stay with you, will you stay with me?  
Just one single tear in each passing year
