

Follow You Follow Me

Genesis

Stay with me
My love, I hope you'll always be
Right here by my side, if ever I need you
Oh my love In your arms
I feel so safe, and so secure
Everyday, is such a perfect day to spend
Alone with you I will follow you, will you follow me?
All the days and nights that we know will be
I will stay with you, will you stay with me?
Just one single tear in each passing year With the dark
Oh I see so very clearly now
All my fears, are drifting by me so slowly now
Fading away I can say
The night is long, but you are here
Close at hand, oh I'm better for the smile you give
And while I live
I will follow you, will you follow me?
All the days and nights that we know will be
I will stay with you, will you stay with me?
Just one single tear in each passing year there will be
I will follow you, will you follow me?
All the days and nights that we know will be
I will stay with you, will you stay with me?
Just one single tear in each passing year
I will follow you, will you follow me?
All the days and nights that we know will be
I will stay with you, will you stay with me?
Just one single tear in each passing year
