## **Follow You Follow Me**

## Genesis

Stay with me My love, I hope you'll always be Right here by my side, if ever I need you Oh my loveIn your arms I feel so safe, and so secure Everyday, is such a perfect day to spend Alone with youI will follow you, will you follow me? All the days and nights that we know will be I will stay with you, will you stay with me? Just one single tear in each passing yearWith the dark Oh I see so very clearly now All my fears, are drifting by me so slowly now Fading awayI can say The night is long, but you are here Close at hand, oh I'm better for the smile you give And while I live I will follow you, will you follow me? All the days and nights that we know will be I will stay with you, will you stay with me? Just one single tear in each passing year there will be I will follow you, will you follow me? All the days and nights that we know will be I will stay with you, will you stay with me? Just one single tear in each passing year I will follow you, will you follow me? All the days and nights that we know will be I will stay with you, will you stay with me? Just one single tear in each passing year
