

Hit the City (feat. PJ Harvey)

Mark Lanegan

The dark descends through the promised land
Down kingdom come and the acid ban
I'm bad alone, burned inside out
Nothing to kill it
I hit the city
In Marianne I dug the hole
And watched her trip on my heart of stone
And in the end all that crawled, was my skin
I couldn't kill it
I hit the city
I hit the city
Ghost arrives at its bitter end
To the promised land and the dark descends
I'm bad alone, burned inside out
Nothing to kill it
I hit the city (x5)
1, 2, 3, 4
I hit the city
