

Irresistible You

Bobby Darin

Your magic hands
Your loving eyes
Your kissable lips Make my heart realize
I'm in love, I'm in love
And I know it's true
Cause who wouldn't fall
For irresistible you Well, I don't know
What you've got
But it's got me
And, baby, I'm hooked Like a fish in the sea
You make angels call from above
You could make the
Devil fall in love
And who wouldn't fall
For irresistible you Oh, come on
Let's dance awhile
I wanna talk
I wanna talk to you, child You've been blessed
And you're much too much
There's a wonderful love
In your touch Don't you fret
Don't you worry bout me
Cause I'll never forget
How much you mean to me I'll love you, I'll love you
My whole life through
Tell me, who wouldn't fall
For irresistible you
Let's twist awhile Don't you ever fret
Don't you worry bout me
I'll never forget
How much you mean to me I'll love you, I'll love you
My whole life through
But tell me, who wouldn't fall
For irresistible you
