A Rush of Blood to the Head

Coldplay

You said I'm gonna buy this place and burn it down I'm gonna put it six feet underground You said I'm gonna buy this place and watch it fall Stand here beside me baby in the crumbling walls Oh I'm gonna buy this place and start a fire Stand here until I fill all your hearts desires Because I'm gonna buy this place and see it burn And do back the things it did to you in returnHuuuhhhh, Huuuhhhh, Huuuhhhh You said I'm gonna buy a gun and start a war If you can tell me something worth fighting for Oh and I'm gonna buy this place is what I said Blame it upon a rush of blood to the head Honey, all the movements you're starting to make See me crumble and fall on my face And I know the mistakes that I've made See it all disappear without trace And they call as they beckon you on They say start as you need to go on Start as you need to go on You said I'm gonna buy this place and see it go And stand here beside me baby, watch the orange glow Some'll laugh and some just sit and cry But you just sit down there and you wonder whySo I'm gonna buy a gun and start a war If you can tell me something worth fighting for And I'm gonna buy this place is what I said Blame it upon a rush of blood to the head Oh to the head Honey, all the movements you're starting to make See me crumble and fall on my face And I know the mistakes that I've made See it all disappear without trace And they call as they beckon you on They say start as you need to go on As you need to go on As you need to go onSo meet me by the bridge Oh meet me by the lane When am I gonna see that pretty face again Oh meet me on the road Meet me where I said Blame it all upon a rush of blood to the head Song Discussions is protected by U.S. Patent 9401941.
