

Poisonous

Tech N9ne

Now you know that I'll never give you anything that
will hurt you right baby

So try this

Yeah

Yeah

You like that? I saw you back where we began

Then you took me for a spin

And Captivated brought me in and now

See I still watch you from a distance

Lost in you lose all resistance

Poisonous the way you took me out

Cause ahh you-oh-oh-oh-oh-oh-oh-oh-oh-oh got the best, of me

Cause ahh you-oh-oh-oh-oh-oh-oh-oh-oh-oh got the best, of me

Nina

I'm like a walking drug

I can make your lady pop X

Want sex from a nigga like me

I can feel her nightly

Even make her fall off in love

Get away lost off in hugs

Stalkin blood for an awesome plug

This is addictive

Vicious and wicked slick talkin stud

I take good gals

Recruit um, pollute um

Put X in they wood valve

To shoot um

They chewed um up and true enough

They would be poppin, droppin, pursuin us

Plus screwin the crew an such

A ruined slut livin through a nut

That was then but now I see um

They be on the same shit

Brainless

Itchin to get that quick trip wanna be painless

I don't f**k with it no more that I can arrange it

I was like Dracula attackin her when I give her game

Hella vein language

It was they choice to trip

I kept her moist and slick

Now shes an annoying chick

I started avoiding Ms.

Give her them toys and split
I polluted so many women with bad habits and drugs
I guess I'm poisonous
I saw you back where we began
Then you took me for a spin
And Captivated brought me in and now
See I still watch you from a distance
Lost in you lose all resistance
Poisonous the way you took me out
Cause ahh you-oh-oh-oh-oh-oh-oh-oh-oh-oh got the best of me
Cause ahh you-oh-oh-oh-oh-oh-oh-oh-oh-oh got the best of me
