

# Footprints

Sia

I've fallen through the floor again, crashed into the basement  
Your pain was swallowing me  
I was like a leper when I couldn't even get up towards, turn the lights from  
The door was swallowing me Lord knows you can't trust your head  
When you're standing on the edge  
I'm breaking down  
Lord knows you can't trust your head  
When you're hanging by a thread  
I was breaking down and I saw Only two footprints in the sand  
Thought you'd abandoned me and  
Let go of my hand  
But you were carrying me  
Carrying me to safety  
Two footprints, your footprints in the sand  
Two footprints, two footprints, your footprints in the sand  
Two footprints, your footprints in the sand Oh, what if I had got the things I knew it was I  
Who would have been done with you  
Forgive me, I was lost and found  
Who would never've left my side, pick me up when I thought that  
I would die you helped me and I was fine Lord knows you can't trust your head  
When you're standing on the edge  
I'm breaking down  
Lord knows you can't trust your head  
When you're hanging by a thread  
And breaking down  
Only two footprints in the sand  
Thought you'd abandoned me and  
Let go of my hand  
But you were carrying me  
Carrying me to safety Two footprints, your footprints in the sand Only two footprints in the sand  
Thought you'd abandoned me and  
Let go of my hand  
But you were carrying me  
Carrying me to safety Two footprints, your footprints in the sand  
Two footprints, two footprints, your footprints in the sand  
Two footprints, your footprints in the sand
