

Slow Your Roll

Brothers Osborne

Take a little break from the outrage
Pour a little heaven on ice
Pick it back up on Monday
Tuesday I'm gonna testify
The Lord's been talking through the weather
Sunday sermon in a sundown sky
Don't think I could say it any better
So I think I'm gonna take that advice Slow your roll
Slow your roll
It's a downshift, de-stress
Take yourself a deep breath
Watch it go up in smoke
Slow your roll That's right
We're all gonna get there someday
Don't have to be tonight
It's harder than you think to do nothin'
If you wanna do nothin' right You gotta slow your roll
Gotta slow your roll
It's a downshift, de-stress
Take yourself a deep breath
Watch it go up in smoke
Slow your roll Slow it down a notch
Here we go Can you almost taste it
Light one up and take it
Down a notch and
Prop that top and
Calm your country ass down
Slow
Slow your roll Yeah
It's a downshift, de-stress
Take yourself a deep breath
Watch it go up in smoke
Slow your roll
Yeah, slow your roll
Slow
