

Life of the Party

Blondfire

Oh, oh, oh
Oh, oh, oh...
Oh, oh, oh
The life of the party Oh, oh, oh
Oh, oh, oh...
Oh, oh, oh
The life of the party When the sun goes down
Gonna dance all night
Gonna start it up
Wash toxic night
When the world goes back
Gonna light it up
Gonna take your heart
Gonna break it up
Who wants to be
Wants to be
The life of the party
Burn the dance
Living fast
Burn it now
We're feeling free
It's good to be the life of the party
Hit the ground, but you're not coming down Oh, oh, oh
Oh, oh, oh...
Oh, oh, oh
The life of the party
Gonna still be there
When it come undone
If they see me now
Would you be someone
Would you fall for them
Would you hold your up
When music's gone are you good enough Who wants to be
Wants to be
The life of the party
Burn the dance
Living fast
Burn it now
We're feeling free
It's good to be the life of the party
Hit the ground, but you're not coming down Pretty black eyes, with that pretty little nose
(Come on you now)

(Come on you now)
See it in your eyes you believe in his lines
(Come on you now)
(Come on you now)
Pretty black eyes, with that pretty little nose
(Come on you now)
(Come on you now)
You were meant to be...Oh, oh, oh
Oh, oh, oh...
Oh, oh, oh
The life of the partyWho wants to be
Wants to be
The life of the party
Burn the dance
Living fast
Burn it now
We're feeling free
It's good to be the life of the party
Hit the ground, but you're not coming down
You hit the ground but you're not coming down
You hit the ground but you're not coming down
You hit the ground but you're not coming down
You hit the ground, hit the ground, hit the ground
