

# Forgetful Lucy

Adam Sandler

The Hukilau was the place  
Where I first saw your face  
We liked each other right away  
But you didn't remember me the very next day  
Forgetful Lucy  
Has got a nice caboose-ie  
I used to trick you into pulling your car over so we could chat  
But my favorite time was when you beat the shit out of Ula with a bat  
Than we drove up to see Dr. Keets  
And find out why Doug always has to change his sheets  
Forgetful Lucy  
Cracked her head like Gary Busey  
But I still love her so  
And I'll never let her go  
Even if while I'm singing this song  
She's wishing I had Jocko The Walrus's shlong  
Forgetful Lucy  
Her lips are so damn juicy  
How about another first kiss?
