## Finally (12" Version)

## **CeCe Peniston**

Meeting Mr. Right, the man of my dreams

The one who showed me true love, or at least it seemsWith brown cocoa skin and curly black

It's just the way he looks at me that gentle loving stare

Finally! you've come along

The way I feel about you, it just can't be wrongIf you only knew the way I feel about you

I just can't describe it, oh no no

Finally it is happened to me

Right in front of my faceMy feelings can't describe it

Finally it is happened to me

Right in front of my face

And I just cannot hide it

Finally it is happened to me

Right in front of my face

My feelings can't describe it

Finally it is happened to me

Right in front of my face

And I just cannot hide it

It seems so many times

He seemed to be the oneBut all he ever wanted was to have a little fun

But now you've come along

And brightened up my world

In my heart I feel it, I'm that special kind of girl

Finally! you've come along

The way I feel about you, it just can't be wrong

If you only knew, the way I feel about youI just can't describe it, oh no no

Finally! it is happened to me

Right in front of my face

My feelings can't describe it

Finally it is happened to me

Right in front of my face

And I just cannot hide it

Finally it is happened to me

Right in front of my face

My feelings can't describe it Finally it is happened to me

Right in front of my face

And I just cannot hide it

Finally

Oh, finally yeah yeah

Finally it is happened to me

Right in front of my face

My feelings can't describe it

Finally it is happened to me Right in front of my face And I just cannot hide it Finally oh yeah yeah, eh eh eh eh eh eh finally, oh yeah
