## Heavy (feat. Kiiara)

## LINKIN PARK

I don't like my mind right now

Stacking up problems that are so unnecessary

Wish that I could slow things down

I wanna let go, but there's comfort in the panicAnd I drive myself crazy

Thinking everything's about me

Yeah, I drive myself crazy

'Cause I can't escape the gravityI'm holding on

Why is everything so heavy?

Holding on

To so much more than I can carryI keep dragging around what's bringing me down

If I just let go, I'd be set free

Holding on

Why is everything so heavy?

You say that I'm paranoid

But I'm pretty sure the world is out to get me

It's not like I make the choice

To let my mind stay so fucking messyl know I'm not the center of the universe

But you keep spinning 'round me just the same

I know I'm not the center of the universe

But you keep spinning 'round me just the sameI'm holding on

Why is everything so heavy?

Holding on

To so much more than I can carryI keep dragging around what's bringing me down

If I just let go, I'd be set free

Holding on

Why is everything so heavy?

I know I'm not the center of the universe

But you keep spinning 'round me just the same

I know I'm not the center of the universe

But you keep spinning 'round me just the sameAnd I drive myself crazy

Thinking everything's about meHolding on

Why is everything so heavy?

Holding on

To so much more than I can carryI keep dragging around what's bringing me down If I just let go, I'd be set free

at let go, I a be set liet

Holding on

Why is everything so heavy? Why is everything so heavy?

Why is everything so heavy?
