(2 Chainz) Sauce for the young niggas and all for my white fans
'Cause they know Tity got more bars than a white Xan
Fear god, white vans, all the contraband
Woo, gotta pop some bands
Woo, it's a marchin' band
Woo, this a deafening woo
Time for extra Xans, woo
She is sexy now, woo

She was sexy then, woo
With my sexin' back, woo
These ain't none of my friends
With my sexin' back
Ain't lettin' none of y'all in
Seven different bust down watches for the week
If you don't talk cash, shit and I don't speak (I love)
Fierce competition, I don't see none
I been watch me get a million on rerun
I got tick tock, tick tock
I got tick tock, tick tock
I got Gucci flip flops, yeah
I got tick tock, diamonds, big rocks, yeah
