Runaround Sue

Dion

Here's my story, it's sad but true It's about a girl that I once knew She took my love then ran around With every single guy in townI should have known it from the very start This girl will leave me with a broken heart Now listen people what I'm telling you A-keep away from-a Runaround Sue, yeahI might miss her lips and the smile on her face The touch of her hand and this girl's warm embrace So if you don't wanna cry like I do A-keep away from-a Runaround SueShe likes to travel around, yeah She'll love you and she'll put you down Now people let me put you wise Sue goes out with other guys Here's the moral and the story from the guy who knows I fell in love and my love still grows Ask any fool that she ever knew, they'll say A-keep away from-a Runaround SueYeah, keep away from this girl I know, know what she'll do Keep away from SueShe likes to travel around, yeah She'll love you and she'll put you down Now people let me put you wise A-she goes out with other guysHere's the moral and the story from the guy who knows I fell in love and my love still grows Ask any fool that she ever knew, they'll say A-keep away from-a Runaround Sue, yeah Stay away from that girl Don't you know what to do nowKeep away from that girl Don't you know what to do now Song Discussions is protected by U.S. Patent 9401941.
