[Verse 1: King Combs & Bay Swag]
She say she feeling my swag, hopped in my bag
Young OG, don't call me Fab

Hundred on me, I don't look at the tab
Me and Bay Swag just get it

Bad chick, yeah I'm in it
Just started, I ain't finished
All my niggas in it to win it

Ride the jet ski in the Pacific, ayy

Yeah you know my shawty cooping, ayy
You say you lit, why you trooping? Ayy

All black in a white jag
Tell all them dudes to fall back
Fly niggas gonna stand out
And I'm never looking for a handout
Everything got planned out
Whole team got the same dream

My chick mean, my whip clean
[Chorus: Bay Swag]
CYN type different
Balling like a Piston
Jesus piece, it glisten
Nigga when I talk, you listen

All the bad bitches, I see ya[Verse 3: Lajan Slim]
Run with that heat like I'm Enus
Boy ya dog funny, hyenas
Gun drawn like I'm Gilbert Arenas
From a cell, 'bout to sell out arenas
I'm from Lauderdale
They like "how the hell?"
Nigga almost worth a million
Cash money, no ceilings
Lord forgive me, made a killing
Josh and Johnny know a nigga rowdy
She wanna ride me, call it Kawasaki
Entrepreneur, they all around me
In the projects is where they found me
Know I'm living for my son and daughter
I know it's nothing and I swear your honor
If you hate it, boy ya ass a goner
Cîroc sipping, Broward full throttle
I'm with your bird plotting on a pigeon
Free the real though, we really miss 'em
From the door, see my diamonds glisten
You a snake, when you speak you hissing
Three months and the check came
Boy we G.O.O.D., we don't need a damn thang
Iguodala, earned my damn ring
Steph Curry, got my own ring[Chorus: Bay Swag]
CYN type different
Balling like a Piston
Jesus piece, it glisten
Nigga when I talk, you listen
Balenciaga Arenas
Yeah we perform at arenas

C3 just hopped out the Beamer
All the bad bitches, I see ya
CYN type different
Balling like a Piston
Jesus piece, it glisten
Nigga when I talk, you listen
Balenciaga Arenas
Yeah we perform at arenas
C3 just hopped out the Beamer
All the bad bitches, I see ya
