Yo name on my bullet (Your name on my)
When I hit ya body get freaky (Hit that body)
Cheese up on me like Pizza Hut (Bodied a body)
Or I'm at Chuck E Cheese for the weekend (Cheese!)

I be sneaking geeking (I be sneakin' geekin')
Met a bitch named Nicki (Met a bitch named)
Minaj with her mill meek it (Minaj wit' her mill)

When I hit ya body get freaky (Hit my body)
Cheese up on me like Pizza Hut
Or I'm at Chuck E Cheese for the weekend
Okay like (Water!) they just wanna ride my wave
Woulda thought a nigga was a tidal (Water)
Now she saying "Papi cock me!" (Water)
Show her like a n old western rifle (Water)
Dick make her sing like American Idol
But symptoms is drowsy like Nyquil (hee, whoo)
Retake my dick like recital (Retake it!)

[?] legs get crossed!
Dick get hard on your mom!
I'm King Kong! White girl on me
Like Mick Jagger swag my walk (Swag!)
Woulda thought a nigga Ronda Rousey, how I beat the pussy
Competition lookin' lousy (Knock it out!)
What's new pussycat?
New battle axe to your mouthpiece
Like I be spitting fire
Like I'm Harry Potter with a staff (Look at it!)
You need some new staff
Cause I'm on they ass just like some grass (Look at my garmet!)

Balmains sag off ass

 Hollow tips make a nigga go night night (Bye bye bye)
 If you trip, knock 'em out like fight night
 So bulldog trained and it might bite (ERRRRR)
 Go, I need more
 Pick up grabba from the sto'
 Do her dance, slit her throat
 I'm like a stripper, keep a pole
 I'm drippin' you droppin'
 I'm poppin' you diggin'
 I only wanna talk like a nigga with feelings
 I drink too much henny I need me a kidney
 Straight lines off my dick like i'm Bobby and Whitney
 Remixing up work gets you hunnids and fifties
 Tell me the truth you ain't got lie to kick it
 I'm really with niggas who really be with it
 Hop on this wave you be drowining ya feel me?
 Take it or leave it
 I'll squeeze it if you sneeze it
 This bitches is easy, I feel like I'm Weezy
 Sneaking and geekin' I'm counting up tokens
 I'm ridin around and I'm Chucky, I'm cheesy
