Give It Up for Love (feat. John Williams)

[EDX](#)

Give it up for love tonight
So it makes you feel alive
Every time you try to smile
Be a so inside!
Give it up for love tonight
So it makes you feel alive
Every time you try to smile
Be a so inside!Give it up for love tonight
So it makes you feel alive
Every time you try to smile
Be a so inside!
Give it up for love tonight
So it makes you feel alive
Every time you try to smile
Be a so inside!
