My Way

Los Lonely Boys

I don't need no fortune I don't need no fame That's all just an illusion To me it don't mean a thing You can try and deceive me But I see right through your skin And what you're trying to tell me Is something I don't beleive inDon't tell me how to live my life Don't tell me how to pray Don't tell me how to sing my song Don't tell me what to say'cause I believe that miracles happen every day I don't care what you say, I'm gonna do it my way You say you have all the answers And I should do it your way How many times do I have to tell you I ain't no puppet on a string Listen to me...Don't tell me how to live my life Don't tell me how to pray Don't tell me how to sing my song Don't tell me what to say 'cause I believe that miracles happen every day I don't care what you say, I'm gonna do it my way I'm gonna do it my way What'd you sayOhhhhhhhhh

Don't tell me how to live my life
Don't tell me how to pray
Don't tell me how to sing my song

Ohhhhhhhhh Ohhhhhhhhh

Don't tell me what to sayDon't tell me how to live my life

Don't tell me how to pray

Don't tell me how to sing my song

Don't tell me what to say'cause I believe that miracles

happen every dayI don't care what you say

I'm gonna do it my way

I'm gonna do it my way

Ohhhhhh I'm gonna do it my way
