

# There Ain't No Good Chain Gang

## Johnny Cash

Bet it ain't raining back home  
Bet your sister's still on the phone  
Bet Momma's in the kitchen, cooking fried chicken  
Wishing that I hadn't done wrong Yeah, Momma, don't you worry about it none though  
Everything's gonna be all right, Momma  
They're teaching us a lot of new things in here Momma  
Things like There ain't no good in an evil-hearted woman  
And I ain't cut out to be no Jesse James  
And you don't go writing hot cheques down in Mississippi  
And there ain't no good chain gang  
Papa's reading yesterday's mail  
Wishing that the hay was all baled  
I bet he's a-wishing we could go fishing  
And here I am a-laying in jail Well, Papa, don't you worry about it none now  
Everything's gonna be all right, Papa  
They're teaching us a lesson a day we're learning pretty well too  
We've already learned a whole lot of stuff already  
Things like There ain't no good in an evil-hearted woman  
And I ain't cut out to be no Jesse James  
And you don't go writing hot cheques down in Mississippi  
And there ain't no good chain gang There ain't no good in an evil-hearted woman  
And I ain't cut out to be no Jesse James  
And you don't go writing hot cheques down in Mississippi  
And there ain't no good chain gang  
There ain't no good in an evil-hearted woman  
And I ain't cut out to be no Jesse James  
And you don't go writing hot cheques down in Mississippi  
And there ain't no good chain gang
