

Strong

London Grammar

Excuse me for a while,
While I'm wide eyed and so damn caught in the middle
I excused you for a while,
While I'm wide eyed and so damn caught in the middle
And a lion, a lion, roars would you not listen?
If a child, a child cries would you not them Yeah I might seem so strong
Yeah I might speak so long
I've never been so wrong
Yeah I might seem so strong
Yeah I might speak so long
I've never been so wrong
Excuse me for a while,
Turn a blind eye with a stare caught right in the middle
Have you wondered for a while
I have a feeling deep down you're caught in the middle
If a lion, a lion, roars would you not listen?
If a child, a child cries would you not them Yeah I might seem so strong
Yeah I might speak so long
I've never been so wrong
Yeah I might seem so strong
Yeah I might speak so long
I've never been so wrong
Excuse me for a while,
While I'm wide eyed and so damn caught in the middle
Have you wondered for a while
I have a feeling deep down you're caught in the middle
Yeah I might seem so strong
Yeah I might speak so long
I've never been so wrong
Yeah I might seem so strong
Yeah I might speak so long
I've never been so wrong
