

# Intro

## Ol' Dirty Bastard

I never saw so many people tonight  
I mean y'all all got it crowded up in here and that's good  
I'm glad that y'all givin' it up for him, y'all givin' it up for him  
That's good y'all make me want to cry or somethin' Alright ladies and gentleman, tonight is a  
special night  
For one thing let me introduce myself my name is Mr. Russell Jones  
Excuse me for that one I had to let that one low  
And tonight, you're going to see that you never seen before Somethin' that, that nobody in the  
history of rap ever set they self to do  
This fuckin' guy, that I speak to you about, is somethin' crazy  
He's somethin' insane, he's the greatest performer every since  
What's the guys name? Ol' Dirty  
James Brown, he's bad and he's a cool guy  
And you'll really need him, I mean need to really get to know him  
Ladies and gentleman, from all houses, to all towns  
From the moons of Pluto, back down to Earth  
Ladies and gentleman, one more time, give it up for  
The Old Dirty Doggy, I mean, the Ol' Dirty Bastard, I love that guy Yes, how y'all doin' out  
there?  
I wanted y'all to know that tonight is a special night  
'Cause I'm happy to be living, you know  
A nigga tried to shoot me down and shit You know and I don't know man it just feel good to be  
here man  
You know what I'm sayin'?  
And I wanna let all y'all know I love you man, I love all y'all  
You know, but, but I really came here tonight For one reason, just 'cause I don't need to cry  
I don't need to cry, dub you can play that shit man, play it man  
I'm tired of this shit, remember the time I told y'all  
When I got burnt, gonorrhea  
Well this bitch, there's a new bitch goddamn it  
Oh, bitch burnt me again with gonorrhea  
So I didn't get burnt one time I got burnt actually two times  
When you really look at it Yeah, I love the girl but I had to cut the bitch off  
Yeah, the bitch died, I killed the bitch  
She suffered a long pain bitchy ass go bitch had to go  
I, I knew the bitch for ten minutes of her life But the pussy was good, yes the pussy was good  
I just want you to know girl  
That I dedicated, this song, well this song really was written  
By Blowfly, and I want all y'all to hear this shit  
It's just a poem that I writ for you girl The first time, ever you sucked my dick  
Thank you, thank you  
I felt, the earth tremble, under my balls

Somethin' shot out of me real fast, first time  
        Nah, I'm just kidding witch'all  
How y'all feelin', listen to the album 'cuz it's bangin'  
    We have only thirty-five chambers, there is  
        no thirty-six  
    I know that but I want to create a new chamber  
        Oh, and what would that be?
