

# Don't Stop the Party (feat. TJR)

## Pitbull

You don't get them girls loose, loose (TJR!)  
You don't get the world loose, loose (Mr. Worldwide)  
You don't get money - oof, oof  
But I do, I do You don't get them girls loose, loose  
You don't get the world loose, loose  
You don't get money - oof, oof  
But I do, I do I said, y'all having a good time out there?  
Yeah, yeah, yeah, Que no pare la fiesta - Don't stop the party  
Yeah, yeah, yeah, Que no pare la fiesta - Don't stop the party I'm running through the world like  
a running back  
Scarface, world's mine, running back  
30, 000 people went here to see me?  
80, 000 in London, Wembley 90, 000 people Morocco, and I'm just getting warmed up, papo  
Catch me with RedOne in Stockholm  
Beirut, cafe, getting my drink on (Voli)  
Where all the pretty woman hit the hooka  
All of them sweet, azucar, azucar  
Dale disfruta They can't, they won't, they never will, stop the party  
They can't, they won't, they never will, stop the party I said, y'all having a good time out  
there? Yeah, yeah, yeah, Que no pare la fiesta - Don't stop the party  
Yeah, yeah, yeah, Que no pare la fiesta - Don't stop the party  
I'm from the city, where they stress, yeah they sling keys (305)  
And now I'm doing shows in Helsinki (Finland)  
I know what y'all thinking, you're thinking  
That you can out-think me, but you can't frankly  
I'm out for the vengeance, Frankie (C-Notes)  
Just 'cause you ain't me, don't hate me  
As a matter fact you should thank me  
Even if you don't, you're welcome Yankees  
Zig-a zig-a zig-a zig-a-ow  
Who got the keys to the world, now? Yours truly - blaow! They can't, they won't, they never  
will, stop the party  
They can't, they won't, they never will, stop the party I said, y'all having a good time out  
there? Yeah, yeah, yeah, Que no pare la fiesta - Don't stop the party  
Yeah, yeah, yeah, Que no pare la fiesta - Don't stop the party Imma give it to ya, ah ah  
Now give it to me, ah ah  
Imma give it to ya, ah ah  
Now give it to me, ah ah  
Imma give it to ya, ah ah  
Now give it to me, ah ah  
Get funky, get funky  
Now stop!

I said, y'all having a good time out there?  
Yeah, yeah, yeah, Que no pare la fiesta - Don't stop the party  
Yeah, yeah, yeah, Que no pare la fiesta - Don't stop the party  
Yeah, yeah, yeah, Que no pare la fiesta - Don't stop the party  
Yeah, yeah, yeah, Que no pare la fiesta - Don't stop the party
