Lesson In Leavin'

Jo Dee Messina

Somebody's gonna give you a lesson in leavin' Somebody's gonna give you back what you've been givin'

And I hope that I'm around
To watch 'em knock you down
It's like you to love 'em and leave 'em
Just like you loved me and left me
It's like you to do that sort of thing

Over and over again

You're a fool-hearted manI hear you've been askin' about me

From some of my friends

Well you'd better believe I'm not goin'

Through that again

You're the kind of man a woman thinks she can change Oh, but the only thing changin' is my way of thinkin'

And I'm thinkin' that maybe someday

Somebody's gonna give you a lesson in losin'

Somebody's gonna do to you what you've been doin'

And I hope that I'm around

To watch 'em knock you down

Somebody's gonna give you a lesson in hurtin'

Somebody's gonna leave you with your fire burnin'

And no way to put it out

Baby there ain't no doubt

You're a fool-hearted manYeah, you're the kind of man

A woman thinks she can change

But the only thing changin'

Is my way of thinkin'

And I'm thinkin' that maybe someday

Somebody's gonna give you a lesson in leavin'

Somebody's gonna give you back what you've been givin'

And I hope that I'm around

To watch 'em knock you down (oh)

It's like you to love 'em and leave 'em

Just like you loved me and left me

It's like you to do that sort of thing

Over and over again

You're a fool-hearted manSomebody's gonna give you a lesson in leavin' Somebody's gonna give you back what you've been givin'

And I hope that I'm around
To watch 'em knock you down
It's like you to love 'em and leave 'em
Just like you loved me and left me

It's like you to do that sort of thing Over and over again You're a fool-hearted manOh, a fool-hearted man Oh, whoa Oh, a fool-hearted man Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
