

# Steady My Heart

Kari Jobe

Wish it could be easy  
Why is life so messy?  
Why is pain a part of us?  
There are days I feel like  
Nothing ever goes right  
Sometimes it just hurts so much But You're here  
You're real  
I know I can trust You Even when it hurts  
Even when it's hard  
Even when it all just falls apart  
I will run to You  
'Cause I know that You are  
Lover of my soul, healer of my scars  
You steady my heart  
You steady my heart  
I'm not gonna worry  
I know that You've got me  
Right inside the palm of Your hand  
Each and every moment  
What's good and what gets broken  
Happens just the way You plan You're here  
You're real  
I know I can trust You Even when it hurts  
Even when it's hard  
Even when it all just falls apart  
I will run to You  
'Cause I know that You are  
Lover of my soul, healer of my scars  
You steady my heart  
You steady my heart  
And I will run to You  
I'll find refuge in Your arms  
And I will sing to You  
'Cause of everything You are You steady my heart  
You steady my heart Even when it hurts  
Even when it's hard  
Even when it all just falls apart  
I will run to You  
'Cause I know that You are  
Lover of my soul, healer of my scars  
You steady my heart  
You steady my heart I'm not gonna worry

I know that You've got me  
Right inside the palm of Your hand
