

Heltah Selektah (feat. Sean Price & Rock)

Statik Selektah

Heltah Selektah Statik Selektah Statik brings 90's duo Heltah Skeltah on this track. For life dog i do this shit

Back when Phyfe Dawg was true Fu-schnick

And fight the fight dog, i do Bruce shit

But like i'm not par, i will shoot shit The, incredible rap team, is back??????? you can ask fiends

L7, i don't bang heaters???? Veteran gang leader

Aim a .22 blazing, the name is Sean Price from the Zulu nation

No fucks given to a dude who is hating

Don't rug spit until the dudes relating

Debating you was the best, he's standing right in front of you and punching your chest

Animal bars, you rambling, I can't stand the amateurs

Slow Creeping, same time

Intoxicating with a grey nine

Contemplating hate crime

Hate life cause the snake is hiding in plain site

I'm Don like they come in the day light, Raah!

Royalty, Loyalty all of the above

Dudes i played tonnes, hold me the glove

All of the thugs, show me all of the love in the world

Probably cause i sold all of them guns

Anyway

Hop, skip and a jump from a foot in your ass

Youse a hot stripper but you get sfor your cash

Soft

But respectanize your place in the food chain

Had your little monkey wave til this gorilla monsoon came

Im god to you lames

Regardless of what you say

Your big brother almighty

Im like Pa from school days

It's a new day, i'm the star of this new way

These???? niggas is too fake
