

# That's Why They Make Jack Daniels

Ronnie Dunn

Some memories never fade  
Some broken hearts just stay that way  
Some dreams just aren't meant to be  
But you keep, holdin' on, long after she's gone  
That's why they make Jack Daniels  
Two fingers in a glass  
It ain't gonna make it any better  
But, it won't hurt as bad  
Some scars time won't heal  
Some goodbyes that you're still gonna feel  
Some ghost just keeps comin' back, from the past  
And it won't, ever let you move on  
That's why they make Jack Daniels  
Two fingers in a glass  
It ain't gonna make it any better  
But, it won't hurt as bad  
Some nights just never end  
Sometimes I need to forgive you again  
That's why they make Jack Daniels  
Two fingers in a glass  
It ain't gonna make it any better  
But, it won't hurt as bad  
It ain't gonna make it any better  
But, it won't hurt as bad
