

# Don't Call Me White

NOFX

Don't call me white, Don't call me white  
Don't call me white, Don't call me whiteThe connotations wearing my nerves thin  
Could it be semantics generating the mess we're in?  
I understand that language breeds stereotype  
But what's the explanation for the malice, for the spite?Don't call me white, Don't call me white  
Don't call me white, Don't call me whiteI wasn't brought here, I was born  
Circumcised, categorized, allegiance sworn,  
Does this mean I have to take such shit  
For being fairskinned? No!  
I ain't a part of no conspiracy,  
I'm just you're average Joe.  
Don't call me white, Don't call me white  
Don't call me white, Don't call me whiteRepresents everything I hate,  
The soap shoved in the mouth to cleanse the mind  
The vast majority of sheep  
A buttoned collar, starched and bleached  
Constricting veins, the blood flow to the brain slows  
They're so fuckin' ordinary whiteDon't call me white, Don't call me white  
Don't call me white, Don't call me white  
We're better off this way  
Say what you're gonna say  
So go ahead and label me  
An asshole cause I can  
Accept responsibility, for what I've done  
But not for who I amDon't call me white, Don't call me white  
Don't call me white, Don't call me white  
Don't call me white, Don't call me white
